

Exam Date: **03/20/08** Patient ID: **499201** Doctor: **Anderson, John**
 Patient Name: **John Smith** DOB: **09/19/77** Gender: **Male**

CHECK-IN

User: edalton

Procedure(s) scheduled for: **Colonoscopy**
 Indication for procedure: **Screening colonoscopy**
 Primary Care Physician: **James Edwards, MD**
 Physician Phone: **888-999-1212**
 Admitted from: **Home**
 Admitted via: **Ambulatory**
 NPO since: **> 6 hours ago**
 Prep taken? **YES**
 Prep type: **GoLytely**
 Prep quality: **Good**
 Transportation after procedure? **YES**
 Driver location: **Waiting Room**
 Driver's name and phone: **Cindy Smith**
 Patient items removed: **Contact lenses**
 Patient clothing and valuables: **Locked in locker**
 Does the patient have any advance directives? **NO**
 Barrier to care? **NO**
 Primary language is English? **YES**
 Preprocedure teaching completed? **YES**
 Method: **Verbal**
 Response to teaching: **Verbalized understanding of instructions**
 Body Mass Index (BMI): **height(in): 70, weight(lbs): 190, BMI: 27.3**

ALLERGIES

Substance	Reaction
Penicillin	rash
Latex Allergy	Patient denies allergy
Iodine Allergy	Patient denies allergy
Food Allergy	Patient denies allergy

CURRENT MEDICATIONS

Aspirin use: Patient denies use
 NSAID use: Yes (see below)
 Anticoagulant use: Patient denies use
 Herbal use: Patient denies use

Medication	Dosage	Last Taken
Ibuprofen	400mg	>24 Hours ago

HEALTH HISTORY

User: edalton

Medical History

Gender: **Male**
 Cardiovascular? **NO**
 Pulmonary? **NO**
 GI? **NO**
 Diabetes? **NO**
 Renal/Endocrine? **NO**
 Neuro/musculoskeletal? **NO**
 Miscellaneous? **NO**
 Psychiatric? **NO**
 Pregnancy status: **N/A**
 Recent illness or infection? **NO**
 Usual diet (specify): **Normal diet**

Surgical History

Previous non-GI surgery? **NO**
 Previous GI surgery? **NO**

History of problems with anesthesia? **NO**
 Implants/prosthetics/removable dental work? **NO**
 Comments:

Social History

Tobacco history? **NO**
 Alcohol history? **NO**
 Recreational drug use? **NO**
 Entire health history obtained from: **Patient**

PATIENT ASSESSMENT - PREPROCEDURE

User: edalton

Patient ID verified? **YES**
 Verified using at least 2: **Date of birth, Full legal name**
 Person who verified: **E. Dalton**
 ID bracelet on? **YES**
 Allergy bracelet on? **YES**
 Consent signed? **YES**
 Consent signed by: **Patient**
 Witness: **E. Dalton**
 H & P completed? **YES**
 Patient lab results? **N/A**
 Does the patient currently have pain? **NO**
 Acceptable (goal) pain level: **0**
 Pain scale instruction: **1-10**
 Baseline behavior: **Calm**
 Baseline orientation: **Person, Place, Time, Situation**
 Respiratory assessment: **Breath sounds clear / equal**
 Skin assessment: **Warm, Dry, Pink**
 Abdominal exam: **Soft, Nontender**
 Need for prophylactic antibiotics? **NO**
 Pre-existing IV? **NO**
 IV started? **YES**
 Attempts: **1**
 IV site: **Left wrist**
 Size: **18 gauge**
 IV solution: **Saline Lock**
 IV rate:
 Inserted by: **E. Dalton**
 Time started:

Preoperative Nursing Diagnosis:

RECOVERY QUESTIONS

User: edalton

Patient transferred by and report received from: **E. Dalton**
 Siderails up on bed upon receipt of patient? **YES**
 Patient orientation: **Person, Place**
 Pain level: **1**
 Skin assessment: **Warm, Dry, Pink**
 Abdominal exam: **Soft, Nontender**
 IV site patent? **YES**
 Postoperative Nursing Diagnosis:

DISCHARGE QUESTIONS

User: edalton

Level of Consciousness: **Alert, Oriented**
 Pain level: **0**
 Oxygen saturation on room air \geq 94% or equal to pre-sedation state? **YES**
 Able to ambulate independently (or at baseline)? **YES**
 Swallow, cough, gag reflexes present? **YES**
 Able to take PO fluids? **YES**
 Final abdominal exam: **Soft, Nontender**
 Bowel sounds: **Present**
 Passing flatus? **YES**

IV discontinued: **YES**
 IV site assessment: **Dry, intact**
 Comments:
 IV removed by: **E. Dalton**
 Time removed:
 Amount IV fluids infused:
 Patient meets discharge criteria as set by physician and approved by facility? **YES**
 Driver location: **Waiting Room**
 Driver's name and phone: **Cindy Smith**
 Discharge Instructions given for: Diet: **Resume normal diet as tolerated**
 Limitations: **Do not drive for 24 hours**
 Call MD for complications: **Excessive or abnormal bleeding**
 Follow-up appointment: **Please call your doctor's office for follow-up appointment within 1 week**
 Verbalizes understanding of discharge instructions? **YES**
 Discharge instructions given to: **Spouse**
 Patient's valuables returned? **YES**
 Discharged to: **Home**
 Discharged under the care of: **Spouse**
 Discharged via: **Ambulatory**
