### **King's Daughters Medical Center Selects ProVation® Medical Software for Cardiology Procedure Documentation and Coding**

MINNEAPOLIS, MN -February 8, 2012 – [Wolters Kluwer Health](#), a leading global provider of information for healthcare professionals and students, announced today that King's Daughters Medical Center has selected its [ProVation® MD](#) software for cardiology procedure documentation and coding in its cardiac catheterization labs.

Located in Ashland, Ky., the 465-bed [King's Daughters Medical Center](#) is a not-for-profit, regional referral center offering comprehensive cardiac, vascular, medical, surgical, maternity, pediatric, rehabilitative, psychiatric, cancer, neurological, pain care, wound care and home care services. Over the last 20 years, King's Daughters has developed one of the nation's leading heart and vascular teams, with expert physicians, skilled nurses and a leading support staff. It is accredited by the Intersocietal Commission for the Accreditation of Echocardiography Laboratories (ICAEL) in the areas of Adult Transthoracic Echocardiography and Adult Transesophageal Echocardiography.

"King's Daughter's is committed to providing the very best diagnostic and treatment services to patients with cardiovascular disease, as evidenced by its prestigious ICAEL accreditation," said **Mike Haldane**, Vice President and General Manager, Clinical Documentation, Wolters Kluwer Health Clinical Solutions. "We are pleased it has selected ProVation MD to further this mission through streamlined documentation and coding in the cardiac cath lab."

#### **About ProVation Medical**

ProVation® Medical provides procedure documentation and clinical decision support solutions for hospitals and Ambulatory Surgery Centers. ProVation MD, ProVation MultiCaregiver and ProVation EHR software reduce transcription, paper storage and image printing costs and deliver a high Return on Investment through electronic procedure documentation. ProVation® Order Sets, *powered by UpToDate Decision Support*, puts evidence-based healthcare into practice by establishing and maintaining standards of care.

ProVation Order Sets is part of [Wolters Kluwer Health](#), a leading global provider of information, business intelligence and point-of-care solutions for the healthcare industry. Wolters Kluwer Health is part of [Wolters Kluwer](#), a market-leading global information services company with 2010 annual revenues of €3.6 billion (\$4.7 billion).
